## ORANGE COUNTY SPEEDWAY

Our Home Track for Charger Division Racing

**Orange County Speedway**, known as "the fastest 3/8-mile track in America," is a 3/8-mile (.375) asphalt oval located in Rougemont, NC. Conveniently situated in northeastern Orange County, the speedway is easily accessible from Triad and Research Triangle Park areas of North Carolina, as well as southern Virginia. The steep 19-degree banking in the wide, sweeping turns allow for multiple racing grooves and some breathtaking excitement for fans and competitors alike.

The facility offers modern grandstand seating from turn four, along the front stretch, and in to turn one, which provides for an excellent view of the track from every seat. The turn four VIP tower accommodates 40 people in air-conditioned comfort and gives fans a close-up view of all the exciting turn four action, as well as a fabulous view of the entire track. VIP seating is also available in the main front stretch tower which accommodates 15 people giving fans a bird's eye view of the Start/Finish Line as well as the remainder of the track.

## WAKE COUNTY SPEEDWAY

Our Home Track for Legend Division Racing

**Wake County Speedway**, "America's Favorite Bullring" is a quarter-mile asphalt race track located in Raleigh, North Carolina. WCS was established in 1962 by Glenn and Marvin Simpkins. The speedway operated as a dirt track until 1987, but with the increased popularity of NASCAR racing, Wake County Speedway was paved and became Raleigh's home for asphalt short track racing.

Located just minutes from Downtown Raleigh, the facility offers fans with excitement that you simply cannot find anywhere else in the capital city.
